Arrest on Execution

Said Drft. comes to the oath for the relief of poor debtors, but does not desire to now fix the time, and recognizes with Elisha Kingsley as surety in the sum of five hundred and fifty dollars, that within thirty days from date he will deliver himself for examination before said Court giving notice of time & place and appear at time and place fixed and from time to time until the same is concluded and not depart without leave, and abide the final order of the Court thereon -

On the sixth day of Sept. A.D. 1866, the said Drft. appears before said Court at the Office of Thayer & Potter in said Adams that being the time and place fixed for Examination Notice being waived by Plff. and after hearing and fully understanding the Examination of the said Drft. it appears to said Court that he is not entitled to the benefit of the oath for the relief of poor debtors. It is therefore considered by said Court that the oath be refused and he is remanded back into the Custody of the Officer
